

Linicin® Prevent – prevents head lice

- Preventative product against head lice
- Easy to use – sprayed into dry, lice free hair
- Non-sticky
- Contains chasteberry and eucalyptus aroma
- Emits an odor that lice dislike but that is neutral to humans
- No risk of resistance
- The effect lasts for at least 7 hours
- Around 5-7 sprays each time
- 1 bottle will last for around 2-3 months
- For adults and children over the age of 2
- Linicin Prevent can be purchased in your local pharmacy or in grocery stores

How do you use Linicin Prevent?

Spray Linicin Prevent on dry, lice free hair. Make sure that you cover the whole hair. Avoid eye contact or contact with other mucous membranes. Spray into the hair on a daily basis during times when there is a high risk of lice infestation in e.g. preschools or schools.

TIP! For long hair, make a braid and spray the braid.

Linicin is a health technological product. Read the information in the package carefully before use. Marketed by Meda, www.medasverige.se, info@medaotc.com, www.linicin.se
